

## *Wedding Day Advice for the Bride*

- **The Bride should wear a button down shirt while her hair is getting done!**
- **Order a second, less expensive, bouquet for tossing so you may preserve the original!**
- **Make sure your limousine is properly insured and the license plates marked 'LIVERY'**
- **Eat breakfast before the wedding! You will feel better and you will avoid fainting!**
- **When ordering your gown and dresses, say your wedding day is earlier than it actually is!**
- **If you are leaving the country you may need immunizations, you WILL need a passport!**
- **If you are leaving the reception for your honeymoon, how will your gifts get home?**
- **Never forget how much you love each other, your wedding is the first day of a lifetime together!**
- **Be careful not to sit older guests directly next to the speakers!**
- **Have only professionals perform the music at your wedding and reception!**
- **Maintain a sense of humor throughout planning your wedding! Laughter is a great stress reliever!**
